this collection brings together contemporary work from Britain, Germany and the United States on how law and lawyers have been represented in film, particularly in the past 40 years. It seeks to provide an overview of existing work on law and film. The essays cover the portrayal of the Anglo-American legal system in film.

This collection brings together contemporary work from Britain, Germany and the United States on how law and lawyers have been represented in film, particularly in the past 40 years. The collection recognises the major influence of Hollywood and the American legal system and seeks to explore the nature and significance of this dominance. A historical dimension to the portrayal of law and film.

What we have brought together in this collection is a selection of contemporary scholarship in law and film in a range of jurisdictions. Law and film has been

is joining a law journal important for a legal career? most law schools
have one flagship law journal and a slew of smaller, more specialized
journals on specific topics such as environmental law, race and
gender, intellectual property, and more. if you can think of a legal
topic of interest, chances are good that a professor has penned a
piece about it in a law journal somewhere in the country.
