the changing structure of international law: wolfgang the changing structure of international law hardcover &ndash; january 1, 1964 by wolfgang friedmann (author) 5.0 out of 5 stars 1 rating. see all formats and editions hide other formats and editions. price new from used from hardcover &quot;please retry&quot; $75.00 &mdash; $75.00: hardcover
The changing structure of international law requires a corresponding reorientation in its study; neither the international lawyer trained in the classical methods of international law and diplomacy nor the corporation, tax, or constitutional lawyer are equipped to address the changing structure of international law: sovereignty.

For by placing the changing structure of international law at the centre of his thoughts, he could only mean that international law has a basically evolutionary, rather than fixed, structure.
