violence and punishment: civilizing the body through time

Pieter Spierenburg is our leading student of the civilizing process in punishment and society. Violence and punishment ties together decades of research into the dynamics of violence and state formation; truly the definitive work on the topic. Jonathan Simon, University of California Berkeley

With this strong new addition to his previous work, Pieter Spierenburg consolidates his position as Europe’s leading historian of violence.

Pieter Spierenburg, Violence and Punishment. Civilizing

In Violence and Punishment, Pieter Spierenburg presents revised versions of previously published essays and articles, some appearing here in English for the first time. Given Spierenburg’s status as a leading historian of interpersonal violence in Europe, these essays will doubtless (and deservedly) receive significant attention.

Pieter Spierenburg on Violence and Punishment

Pieter Spierenburg is professor of historical criminology at Erasmus University, Rotterdam. In 2008 Polity published his History of Murder: Personal Violence in Europe from the Middle Ages to the Present, and in Autumn 2012 they published a collection of his essays entitled Violence and Punishment: Civilizing the Body through Time.

Violence and Punishment: Civilizing the Body through Time

Taking the decline of violence and the transformation of punishment as its guiding themes, the book highlights key dynamics of historical and social change, and charts how a refinement and civilizing of manners, and new forms of celebration and festival, accompanied the decline of violence. Pieter Spierenburg, a leading figure in historical criminology, skillfully extends his view over three continents, back to the middle ages and even beyond to the stone age.
