Objective

To take up a challenging career that provides room to actualize my potential and also add value to my already excellent background and knowledge in **3D-Modeling, Graphics & Web Designing and Multimedia** .

Seeking a company that demands high-quality design and better professional image.

Experience Summary

Talented Graphics Designer with over 5 years of experience in graphics and web design, 3D modeling and multimedia. Highly motivated, creative, versatile and self-starter. Adept at creating new user experience in user interface.

Skill Set

Video Editing Software

- Adobe Premier, Pinnacle, After Effects and Soundforge.

Modeling and Animation Tools

- Creating 3D Modeling and Animation in 3ds-Max, Maya.
- Flash and Auto Cad creations.

Authoring Tools

- Web development using Macromedia Flash, Dreamweaver and Director X.

Graphic Suite

- Adobe Photoshop, Illustrator, Corel Draw, Page Maker and Elastic Realty.

Soft Skills

I possess the required confidence in taking up new challenges and successfully completing it.

I have built up considerable interpersonal skills to coordinate work and liaise with various departments of an organization to get things done. I am adaptable, flexible and have the ability to manage pressure, ambiguity and change.
